

The Skeptical Life of Martin Gardner

Presented by Dana Richards, PhD

Martin Gardner is the well-known as the spark of the modern skeptical movement. How did he come to be the skeptic we know today? Original letters, interviews and early writings will be discussed.

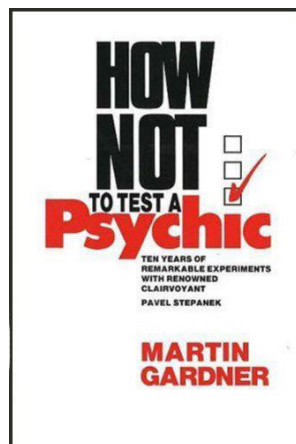

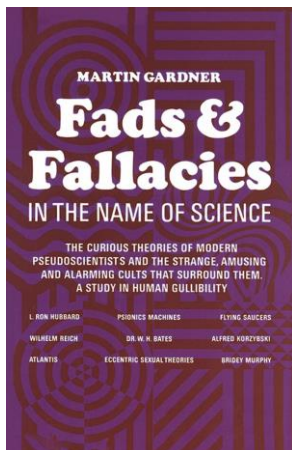

Dana Richards received his PhD in Computer Science from the Univ. of Illinois and has taught at the Univ. of Virginia and George Mason Univ. He is Martin Gardner's "official" bibliographer and is working on a biography.
